Two Maiden Winners in March

Work to Live winning by 11 lengths

Laban M Mo as a yearling in 2020

Former Endeavor Farm residents Work to Live and Laban M Mo both broke their maidens in impressive fashion during the month of March. Work to Live won by open lengths at Santa Anita on March 12th. The bay daughter of Outwork and Live Free or Die destroyed her competition to break her maiden by 11 lengths under a hand ride. She was foaled and raised at Endeavor Farm and is a homebred for Jason Litt. Laban M Mo followed suit the following day, getting his first career win at Aqueduct on March 13th. The striking dark bay gelding grabbed the lead on the backstretch, got passed at the top of the lane, then dug down deep to regain the lead in the final strides to get up and win by a nose. Laban M Mo (Laoban – Silk’s Diamond, by Forefathers) was foaled in New York but raised at Endeavor Farm, where he was sales prepped and sold as a yearling for \$40,000 for breeder JRita Young Thoroughbreds. Congratulations to the connections of both of these horses. With that elusive first victory under their belt, hopefully they will continue on to win many more. Best of luck in the future!

A Word from Terry

March comes in like a lamb and out like a lion, or is it the other way around. This year it is definitely in like a lamb and out like a lion. The first of March was calm and warm, here at the end we are 25 degrees below normal and had some snow. That is the recipe for getting mares confused and complicating getting them to the breeding shed. Thank goodness horsemen are a resilient group.

It certainly has been a busy month for us. There were 9 new foals born, sires represented were Omaha Beach, Cairo Prince, Vekoma, Goldcents, Oscar Performance, Accelerate, Thousand Words, Gun Runner and Malibu Moon. We extend congratulations to all of the breeders. The month also saw 18 mares visit area stallions, we certainly kept the shippers busy. Dr. Tanner was successful in diagnosing 6 new pregnancies. Audible, Union Rags, Blame, Catalina Cruiser, Not This Time and Daredevil foals are on the way for 2023.

Around the farm, 2 miles of new fencing has been completed and looks great. Also, all of the fields have been chain harrowed and are awaiting fertilizer and an application of herbicide for weed control. Once completed, the pastures will be in tip top shape for spring and summer grazing.

Keeneland opens in another week and obviously Derby is not far behind. Should you be around during this time please stop in and say hello.
